## ROARING FORTIES™ SMA1060FR series

The **ROARING FORTIES™ SMA1060FR** series is designed to suit welders working near marine environment.

This inflatable PFD is designed based on our **SMA1060** series, which is protected by a Aluminum coated glass fiber fabric. The fabric has fire and sparks retardant properties.

The **SMA1060FR** series is light weight with all the safety protection required by the welder.

The PFD is non cumbersome providing comfort to the welder in both standing and sitting positions. It also gives full freedom of movement for the welder during work.
