## ROARING FORTIES™ LIFE PRESERVER VEST GP 33A

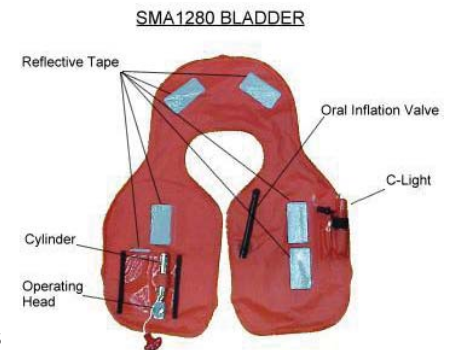

The GP 33 is a general purpose inflatable life preserver vest exceeding Australian Standards for PFD Type 1s. It is similar to the SMA 1060 inflatable PFD type 1s but has additional reinforcements for heavy duty use. For use by Australian Defense Force personnel.

This 150 Newtons inflatable lifejacket is light and durable. Very comfortable to wear over prolong period. Will provide a soldier in full uniform with a free float of at least 90mm and hold them in an inclined position with his/her face looking skywards. Economically friendly to service and repair.
